To be considered professional, you must have worked mainly in the field of dance during the past year.

That means, you've been occupied at least 50% of the working time either as a teacher, choreographer or dancer. Specific circumstances such as pregnancy, illness or the like will be taken into account. In case of doubt, IG Tanz Zentralschweiz can request more information.

**Profitraining & Workshops Zentralschweiz are meant primarily for professional dancers. Although advanced-level non-profis and students are welcome to join, IGTZ will evaluate and in some cases may refer amateurs to alternative classes.**

Insurance is the responsibility of the dancers. The organizer cannot be held liable for accidents, damages or theft.
